Wahe Guru Ji Ka Khalsa Wahe Guru Ji Ki Fateh

Sikh Community Centre Crawley (SCCC) is a long established charitable organisation serving the needs of our community and is committed to sharing rich & spiritual Sikh heritage more widely through common inter community experiences.

SCCC has embarked on a unique Crawley based £1.9M flagship project to build a purpose built Gurdwara and Community Centre, which will offer practical solutions to the needs of the young and old by providing spiritual, religious, volunteering & learning opportunities.

SCCC is also committed to tackle health, welfare, social, cultural & ever changing/challenging ethnic community issues predominant in society.

This is a long standing dream of our elderly, young and future generations. To fulfill the aspirations of our community SCCC needs your financial support and partnership.

- SCCC's aim is to start the build phase in 2010 and complete in 2011
- SCCC has already paid £370,000 for the purchase of land and architectural/planning costs
- **We are allocating 19,000 blocks for sponsorship at £100 each which will help us complete this unique project**
- Your participation will be remembered by all and inspire future generations to promote such worthy causes as you have done

We will look forward to your financial support and would be grateful if you forward your donations to:
